

Summer Study Abroad 2008

Financial Aid Advance Form

Summer Financial Aid Advance (please choose one):

- I am hereby requesting a financial aid advance to pay for flight tickets, visa fees and other important pre-program expenses, and have completed the summer financial aid application.

I am aware that the bursar's office can only issue this advance if my anticipated financial aid exceeds the total cost of my summer study abroad program(s) (less any previous balance owed on my account from prior terms).

This advance request can only be calculated and processed after I have completed the full financial aid application process, and will be based upon my student account information (or information that I have provided) at the time of the request.

I agree to reimburse the University if it is later determined that any check issued to me was for an amount greater than that for which I was entitled.

Unless I've listed an alternative address below, a check for my financial aid advance will be mailed as follows:

- For my term 1 summer program financial aid advance, my check will be mailed to my campus/local address as shown on ACES*.
- For my term 2 summer program financial aid advance, my check will be mailed to my permanent/home address as shown on ACES*.

****I understand it is my responsibility to maintain updated mailing addresses on ACES.***

Alternative mailing instructions: I want my check (payable to me) mailed to the following address:

- I **do not** request an advance of summer financial aid.

I understand that if I choose not to participate after the cancellation date (Friday, April 18, 2008), but before the beginning of the Duke-administered summer program, a cancellation fee will be charged to my bursar's account. I understand that I will not be allowed to use Financial Aid to cover this charge.

I also understand that if I withdraw after the summer program has started then I will be held responsible for payment of the tuition and program fee as specified in the Commitment to Participate form. I will also be required to repay any funds received as a Financial Aid Advance. I understand that I may be able to apply my financial aid towards payment of the tuition and program fee in accordance with the policies and regulations of the financial aid office.
