

ICCS FINANCIAL NEED ASSESSMENT FORM

The Benedetta and Giancarlo Galassi-Beria Scholarship Fund provides one or more scholarships per semester for students in need of financial aid. Scholarships range from \$500 to \$10,000.

Students applying for aid **MUST** meet with an advisor from the Financial Aid Office (FAO) of their own college or university and together complete the form on the reverse side. Properly completed, this form both certifies a student's eligibility for a scholarship and verifies a student's financial need. Forms not completed in their entirety and figures not based upon appropriate documentation will **NOT** be considered for scholarship funds.

Each student **MUST** submit this form to Duke University's Office of Study Abroad with his/her ICCS application (and check the scholarship box on the application form) by the application deadline--March 7 for Fall Semester and October 7 for Spring Semester. Students will be informed of the decision of the ICCS Managing Committee within four weeks of the application deadline.

All financial information provided by students and by college or university Financial Aid Offices is treated as strictly confidential by the ICCS Managing Committee.
